

## Participant Video Instructions

FURTHER RESOLVED – a sanctuary in the making

Make a video of yourself.

1. **READ a favorite passage** of [San Francisco's resolution](#) to stand as a sanctuary city - as much or as little as you like.

TIPS:

- Hold your camera horizontally instead of vertically
- Avoid shooting against the light
- Look into the camera - You can print a passage from the following pages in big print and tape it to your phone or camera to read it.
- If possible, ask a friend to hold the camera for you.
- If you mess up, don't worry, just reread that section. We can edit it out.
- Leave the bloopers – something make you laugh? Did a dog distract you? – leave those moments in - they might be fun to play with
- Early morning & afternoon light is the softest and make video look best
- Give us a sense of place – the background, whether it's your home, a playground, or a place you love, can make the piece more personal

2. **TAKE A PORTRAIT.** After reading your passage, take a few seconds to smile and look straight into the camera – we want to capture a beautiful portrait of you!

3. **SEND YOUR VIDEO TO US**

[Upload it here.](#)

**The San Francisco Board of Supervisors recently passed a resolution, introduced by Board President London Breed, in response to the election of Donald Trump.**

***The resolution reads as follows:***

WHEREAS, On November 8, 2016, Donald Trump was elected to become the 45th President of the United States; now, therefore, be it RESOLVED

## [SANCTUARY CITY]

That no matter the threats made by President-elect Trump, San Francisco will remain a Sanctuary City. We will not turn our back on the men and women from other countries who help make this city great, and who represent over one third of our population.

This is the Golden Gate—we build bridges, not walls;

## [WOMEN'S RIGHTS]

and, be it FURTHER RESOLVED that we will never back down on women's rights, whether in healthcare, the workplace, or any other area threatened by a man who treats women as obstacles to be demeaned or objects to be assaulted. And just as important, we will ensure our young girls grow up with role models who show them they can be or do anything;

And to all the LGBTQ people all over the country who feel scared, bullied, or alone: You matter. You are seen; you are loved; and San Francisco will never stop fighting for you;

## [RESPECT]

and, be it FURTHER RESOLVED that we condemn all hate crimes and hate speech perpetrated in this election's wake. That although the United States will soon have a President who has demonstrated a lack of respect for the values we hold in the highest regard in San Francisco, it cannot change who we are, and it will never change our values. We argue, we campaign, we debate vigorously within San Francisco, but on these points we are 100 percent united. We will fight discrimination and recklessness in all its forms.

We are one City. And we will move forward together.
